Ms. Doris Burns

Dear Ms. Burns:

Thank you for your letter and the enclosed clipping which I had not seen previously.

I do not believe that there is any connection with the Vernon A. Walters of Timpson. I was born in New York City and my father came from England. I served in North Africa and Europe during World War II.

During my military career I ran across another Vernon A. Walters. He was a lieutenant (so was I at that time) and he was from Colorado. We were not able to find any common relatives.

Thank you for taking the trouble to write me.

With every good wish,

Faithfully,

Vernon A. Walters
Lieutenant General, USA
Deputy Director
